

Locum Support Program

The Locum Support Program is funded by a Contribution Agreement between the Yukon Medical Association (YMA) and the Yukon Government (YG). The purpose of this program is to assist physicians who reside and practice in the Yukon with expenses incurred in securing locum services to cover their practices.

Amounts received under the benefit programs are required to be included in the income of the recipient in the year in which they were received. (Original receipts should be retained.) A T4A will be issued in February. Please see the attached consent form to receive your T4A by email.

Locum Contracts

The resident physician/clinic and locum physician will negotiate the terms of the locum contract. Please ensure you sign-off, with the resident physician/clinic representative, the Locum Contract Checklist (included). The program will reimburse eligible expenses, but only if the eligible expense is authorized by the resident physician/clinic.

Receipts

Keep your original receipts for income tax purposes and send copies with the application.

Copies of Documents

Send only photocopies, flatbed or sheet-fed scans of actual receipts. Do not submit smartphone or tablet images/scans of paperwork as they are of poor quality for printing and record keeping.

Usual and Reasonable Expenses eligible for Reimbursement

Reimbursement of any of these expenses is not guaranteed under this program. You must negotiate with the resident physician which expenses will be reimbursed. Signing the Locum Contract Checklist indicates that you are in agreement with the terms.

These are airfare, checked baggage fee, local accommodation, local vehicle rental, licensing fees, certificates of good standing for licensing/privileging requirements and notary public fees. Expense claims do not extend to spouses, family members or dependents.

- Air Travel > Only advance-booked, economy-class tickets will be reimbursed. Only the most direct routing will be reimbursed. Only one round-trip flight will be reimbursed.
- Checked Baggage Fees > One checked bag per flight is reimbursable, with receipts.
- Ground Travel > Should a locum physician elect to drive to and from the Yukon for work s/he will receive the dollar value of an Air Canada economy round-trip Flex fare. In this case receipts for ground travel do not need to be submitted for reimbursement.

- *Local Vehicle Rental* > If a vehicle rental is required for work, commercial rental vehicle charges for locums are reimbursable, with the following stipulations:
 - **Important** > the Yukon Medical Association is now a corporate client of Driving Force rentals and we receive corporate discounts. Please identify yourself at the time of booking a vehicle as a locum physician with the Yukon Medical Association to receive the corporate discount. Driving Force contact > toll free 1-800-936-9353; phone (867) 668-2137.
 - Excess mileage charges will not be reimbursed.
 - The reimbursable period is for the span of the locum contract, plus 2 days prior to starting and 2 days following completion of the contract.
 - The maximum reimbursement for a daily rental charge will be limited to \$90. This includes insurance charges, concession fee recovery and other billable charges.
 - any variations from the above will be dealt with on a case-by-case basis, and only with pre-approval. For example, a locum coming with a family that requires a larger vehicle.
 - Rental fees charged for private vehicles will not be reimbursed.
- *Accommodation* > Reimbursement for rent is capped at \$150 per night and \$2,500 for 31-day span. This cap is inclusive of utilities, phone, internet, cable, condo fees, etc. Primary residences of local physicians are not eligible for rent reimbursement. If you anticipate that your accommodation will exceed those amounts, please contact the Fund Manager prior to booking your accommodation. The reimbursable period is for the duration of the locum contract, plus 2 days prior to starting and 2 days following completion of the contract.
- *Miscellaneous Expenses* > The following items are reimbursable, with submission of receipts and/or credit card payment slips: Yukon registration and licensing fees, and associated documentary expenses, such as certificates of good standing and notary public services. Registration and licensing fees for professional corporations are not eligible expenses under this program.

A Complete Application requires:

- One page application form
- One Locum Contract Checklist signed by locum and resident physician/clinic rep
- Locum Coverage Calendar for each physician whose office you cover
- Copies of all eligible receipts

Payment

Under this program all reimbursement payments are made directly to the locum physician or his/her professional corporation.

Submit completed applications by mail or email to the following address (we do not use fax).

Fund Manager, Yukon Medical Association
5 Hospital Road, Whitehorse, YT Y1A 3H7
